

Holmes Chapel Comprehensive School & Sixth Form College

Teacher of Computer Science

- Main Pay Scale (M1 to M6)
- Full Time, Permanent
- Start September 2025

We are seeking to appoint a talented and enthusiastic teacher to join our Computer Science and IT department from September 2025.

With strengths in programming, the successful candidate will have the skills and knowledge to deliver an outstanding educational experience in Computer Science and IT. Computer Science at both GCSE (EdExcel) and GCE (OCR) is a popular choice with large option groups and you will excel at delivering on these courses. Experience of delivering BTEC Level 2 in Digital IT and BTEC National Extended Certificate in IT at Level 3 is desirable, but not essential. The ability to also teach Maths would be an advantage.

We have modern, well resourced facilities which we use to plan and engage students including STEM based challenges and the delivery of the Cyber EPQ. We would welcome a candidate who is eager to engage with this wider offer.

Our school and college offers you the opportunity to advance your career within a supportive but progressive learning environment with strong partnerships and alliances. Holmes Chapel Comprehensive School and Sixth Form College trust is a key organisation within the Cheshire Teaching School Hub. We invest heavily in professional development from initial teacher training to the highest levels of strategic leadership.

We believe in a culture of collaboration, empowerment, support and ownership so that we consistently deliver the best possible experience for all of our children, families and colleagues. We are committed to being part of a community of learners and recognising how we can work collaboratively to be more effective in managing workload and building professional resilience. In securing a post here, you will join a team of dedicated colleagues who enjoy the reward of working with an outstanding group of learners and colleagues who are there for each other.
