

Dear Parent/Carer,

We previously wrote to you explaining what the students had been learning in each curriculum area. Here are the details for each subject for this half term, more details are available on our school website under the 'Curriculum and Learning' tab. You will also find links to your child's learning manager page where we are building up a bank of additional resources and information relevant to your child's stage of learning.

The table below outlines what is being studied during Half Term 6 in Year 9 in each subject and how students are assessed and given feedback to support their progress.

A mini end of unit test on Tropical Rainforests plus exam questions throughout the topic.
RS	Abrahamic Religions	Knowledge Assessment Abrahamic Religions
Enrichment	Intervention Getting GCSE Ready	N/A

In the coming weeks, you can support your child in a number of ways:

- ★ Check that your child is keeping up with their homework, this will be set through the Google Classroom and will include a clear deadline.
- ★ Use the Google Classroom to check that your child has what they need in their book, you can sit together and go through the lessons to see that they finished the work
- ★ Speak to your child about what they are doing – this could be through asking them what they have done and what knowledge they can remember from the lesson.
- ★ Encourage your child to read for pleasure and ensure they always have their book with them in school for our 5 minutes reading time at the start of every lesson.
- ★ Ensure that they have regular breaks from homework and get a good night's sleep – work in chunks of time, turn off mobile phones and devices at least one hour in advance of going to bed
- ★ Encourage hobbies and interests which are not technology based
- ★ Let children be bored; this is when creativity occurs and reveals their talents

We hope you find this information useful and your child is enjoying learning with us at HCCS.

Kind regards,
