Notes for the above...

- | | |
|---|--|
| 1 | This service is to request a copy of a script as a priority to decide whether or not to request a clerical check or a review of marking. |
| 2 | This service checks that all clerical procedures leading to the issue of a result, including; that all parts of the script have been marked and that the total and recording of marks, are correct. |
| 3 | This service ensures that the agreed mark scheme has been applied correctly. It is not a re-mark but acts to correct any errors identified in the original marking. Service R1 is included within this service. |

Payment for Requested Services

Please note that the costs shown are by component or paper and **not** by subject.

Payments must be made via the school payment system (Scopay), at least **two working days** in advance of the deadlines to ensure that requests are made to the appropriate awarding bodies in good time.

Please ensure that you have added each separate service required to your SCOPAY basket **before** making a single total payment.
