

# GIRLS INTO BENTLEY

*GIRLS INTO BENTLEY INSIGHT DAY – 7th March 2024*

---

A unique opportunity for an insight into Bentley Motors for female students interested in STEM careers. Learn about our history, understand our future goals, see our cars up close, hear from our extraordinary female role models and experience a practical activity from manufacturing. We will also share what it takes to be a successful candidate for one of our Early Careers opportunities.

## **What we need from the school to be involved?**

- 3 female students (Year 10 -13) interested in STEM careers from each school (we can accompany 40 – 60 in total)
- A chaperone to accompany students throughout the day

## **Further Information**

- A full day at Bentley 09:00 – 03:00
- Please bring your own Lunch
- Arrange your own transport to Bentley
- We will be walking across site, so please wear appropriate clothing/footwear
