

Access to careers information

Students have the opportunity to use some excellent careers software and this can be accessed at home so parents can share in the progress their sons/daughters are making in planning effectively for their future.

Careerpilot: used in year 7 to introduce the school's careers programme and help pupils start thinking about possible careers, www.careerpilot.com

START: this software provides careers ideas to students based upon their interests and abilities. www.startprofile.com

Careersbox: this is a free online library of careers related film, news and information, www.careersbox.co.uk

Barclays Life Skills: this site helps young people understand and develop the key skills they need to go forward into work, www.barclayslifeskills.com

National Careers Service: the advice and guidance available here help students make decisions on learning, training and work, www.nationalcareersservice.direct.gov.uk
