Testimonials from existing clients

“The training and conference facility was the perfect choice for our meeting. The location is extremely convenient with ample car parking and the standard of facilities and service at the venue are first class.

The staff are extremely helpful and supportive. Please pass on our thanks to the catering staff as delegates commented that the food was excellent and beautifully presented. We will certainly be using it again in the near future.”

“We are delighted with our move to HCCS and without exception all comments from our general membership committee and officials have been most positive.

The meeting rooms and theatre are modern, light and comfortable with good built in technology that more than meets our needs.

The refreshments were very good and the food was well received. I cannot speak too highly of the Site Team and Caterers who have been helpful and professional throughout.”
