2	Payments are submitted through the SCOPAY website for each service. Please ensure that you have added each separate service required to your SCOPAY basket before making a single total payment.
3	The priority services available in SCOPAY are only applicable to GCE qualifications and should not be selected for a GCSE subject.

### Payment for Requested Services

Please note that the costs shown are by component or paper and **not** by subject.

Payments must be made via the school payment system (Scopay), at least **two working days** in advance of the deadlines shown to ensure that requests are made to the appropriate awarding bodies in good time.
