

## Geography

### Core knowledge and skills you will need for September

Ensure they have completed all of the GCSE work completed in Y9 so far on the Living World Topic:

1. Understand and define key terms associated with the Living World Topic
2. Have an A3 Case Study of the Amazon Rainforest and the Western Desert/ Thar Desert
3. Have completed knowledge organisers for the Living World topic- Tropical Rainforests and Deserts.
4. All Y9 assessments completed and purple panned in exercise books: World under threat knowledge check; World Under Threat GCSE assessment; Living World exam questions (a list to be found under the 'Y9 GCSE Ready' tab); Living World Knowledge check x2.
5. Books signed off at the end of year by Head of Subject and handed in.

All key terms and knowledge organisers and links can be found under 'Y9 GCSE Ready' tab in Google Classrooms along with a link to a SENECA quiz to test understanding.
