Inside Learning Support

Preparing Learners for a Changing World

Inside the SEMH Resourced Provision

Preparing Learners for a Changing World

What happens in learning support

Inside learning support there are smaller classrooms and quiet spaces should you need them. Many small interventions take place here that will help you academically and socially.

At break and lunch time there are always staff and students here for you to talk to.

We have many TA's who are on duty at break and lunch that can help with any questions or concerns you may have.

Homework club takes place in learning support, if you want to get your homework done and out of the way with some support and guidance, then we look forward to seeing you here, after school on a Monday and a Tuesday 3.15 - 4pm.

Preparing Learners for a Changing World
