

JOIN THE F1 HCCS RACING SQUAD: **WE WANT YOU!**

MARKETING & MEDIA TEAMS

Secure sponsorships, manage finances, and run the official team social media accounts.

ENGINEERING & DESIGN TEAMS

Build the racing kart from scratch and design all team graphics and logos.

DRIVING TEAM

Training the next generation of potential F1 racers for high-stakes competition.

JOINING THE GRID

ELIGIBLE AGE GROUPS:
Open to all students in Year 8 through Year 10 and Sixth Formers.

FULL-YEAR COMMITMENT:
All involved students must commit to the squad for the full school year.

39 WEEKLY PRACTICAL SESSIONS:
Hands-on building and learning modules delivered weekly through the Roce Academy.

F1 HCCS: STEM on Track

What does it take to set up, build and run a successful motor racing team?

Find out alongside our partner company, “STEM on Track” - we are looking to recruit students who want to take part in lots of different ways.

Sponsored by BWT Alpine F1 Team

Learning - We learn together
Belonging - We belong to this community
Pride - We are proud of ourselves and each other
Ambition - We have consistently high expectations

F1 HCCS Racing Squad

5 teams make up the F1 HCCS Squad. Which qualities would suit you?

Engineering - builders, mechanics, hands on STEM (Physics, Tech & Maths in real life)- build a competition race kart from scratch

Design - graphics, artists, designers for team logos and car graphics

Marketing - business, maths, advertising - selling our image / product to sponsors

Media - create an ongoing social media vlog, be an interviewer, editor or producer

Drivers - can you smash it on games like “F1-26”, “Gran Turismo”, or “Forza”? Are you an “Asphalt Legend”? How would you like to do it in real life on a real race track?

Learning - We learn together

Belonging - We belong to this community

Pride - We are proud of ourselves and each other

Ambition - We have consistently high expectations

What do you have to provide?

Enthusiasm & Positive Attitude

Team Work

Willingness to learn and do new things

Weekly commitment (one weekly session, after school) for an academic school year

Be prepared for Test Days, Race Days & STEM Conferences

Learning - We learn together

Belonging - We belong to this community

Pride - We are proud of ourselves and each other

Ambition - We have consistently high expectations

What's in the whole package?

Develop new skills in engineering, marketing, media

Finals at
Whilton Mill
International
Karting Circuit.

Learning - We learn together
Belonging - We belong to this community
Pride - We are proud of ourselves and each other
Ambition - We have consistently high expectations

Interested in taking part for Sept 2026 - July 2027?

Fill in the Google Form using your school account (scan QR code or open the link).

[F1 HCCS form](#) (also on the final school newsletter)

Choose which of the 5 teams you would most like to join. Tell us why you should be selected to be part of the F1 Squad in 1-2 sentences.

We will get back to you in September.
