

Type 5508 into your calculator and turn it upside down.

What are you? 8 0 5 5

Your challenge is to find 10 different ways of creating 5508 using the calculator.

Be creative and find the most interesting way to write BOSS.

1		2	
3		4	
5		6	
7		8	
9		10	

Green using only one of +, -, x and ÷

Amber using a combination of + and – with x and ÷ using brackets (or careful use of order of calculations and =)

Red using a mixture and possibly squares and square roots
