Supporting your child with sleep (2-hour workshop)

Visyon's Family and Community Wellbeing Team are pleased to offer a **Parent Workshop** which will support you in understanding why your child may be struggling to sleep. We will explore the science of sleep and practical strategies to support sleep.

The Workshop is available to families of children **in reception and above** in **Cheshire East** and will be held at **Oak Tree Children's Centre in Crewe** for **face-to-face** delivery. If you would like to book a place, please contact lynne.fitton@visyon.org.uk who will contact you with further details.

Places are limited and will be allocated on a first come basis.
